

**Billy Roberts****Bio:**

I would like to announce my intention to run for a member of the Board of Directors for Collington. I have lived in the Tealby section of the Collington Neighborhood since 2014.

My family I have enjoyed being a part of the community and we have served in various neighborhood leadership roles since 2021, my wife has served as the chairperson of the Events Committee from 2019 to 2021 and currently serves on the Pool Committee. We enjoy volunteering around the neighborhood and getting to meet people in our community.

Public service has always been important to me. In my previous neighborhood (St. Regent Lake), where we raised our two children, I served as the President and Architect Control, spanning over 17 years.

In my professional career, I have served in a customer service capacity for the last 44 years. My professional experience has allowed me to understand the unique nature of complex situations and how to navigate difficult circumstances. I take personal pride in my ability to represent the interest of groups of people and think I can have a significant impact on our community.

Our neighborhood is full of hard-working people who deserve a retreat while they are away from their jobs or off the clock, I believe our neighborhood has a chance to be a special place where residents can truly enjoy time with family and friends.

**Reason(s) for serving on the Board:**

If given the honor to be reelected, I will continue to represent all homeowners with honesty and integrity. As we move closer to our election date, your vote and support would be appreciated.
