

# Debbie Boggs

I have lived in Collington for ten years. I was a paralegal for 32 years until I retired six years ago. I have served on boards with Chesterfield Little League, Juvenile Diabetes, and I'm a lifetime member of Chesterfield Jaycees. I currently serve as president of the HOA at Marsh Manor Condos in North Myrtle Beach.

I am presently very active in our community, having served on the grounds, communication and decorating committees. I currently serve on the events and pool committees. You have probably seen me changing the Tealby event signs, decorating our entrances for Christmas, making snow cones and helping out with cooking hot dogs at the pool.

I am married, have three sons and five granddaughters, all of whom live in Collington. I encourage my grandchildren to volunteer here as well.

I would like to serve on the Board to protect and increase our HOA's property values and keep our amenities updated. I am good at problem-solving and listening to everyone's opinion before moving forward. This is OUR community and every voice counts.
