

Elizabeth Frankenfield

Bio:

My name is Beth Frankenfield, and I am running for re-election to the Collington HOA Board of Directors. I enjoyed serving on the board this past year and would love the opportunity to continue to support the neighborhood in this capacity.

I live in the Tealby section and have been in the neighborhood for a little over 4 years. My husband and I have three young children (Ian, 7; Hazel, 5; Lily, 2), and we have made many wonderful friends here in Collington. You'll often find us outside playing in our yard, socializing with neighbors, or running through the neighborhood (when it's not too hot). Shortly after we moved into our home in 2016, I decided to volunteer with the neighborhood. I joined the events committee, which I served for about 3 years. I enjoyed planning community activities and getting to know people from all over the neighborhood. In January 2019, I took over the position of Clubhouse Coordinator (managing the clubhouse schedule and paid rentals), which I still hold today. I also lead the Collington Book Club (which will hopefully begin regular meetings again in September!). I have been an active and committed board member over this past year, attending every meeting and special session, voting on community matters, listening to the wishes of neighbors, and advocating for the betterment of the community.

If elected for a second term, I will continue to do all I can to make Collington a great place to live. Thank you for your support!

Reason(s) for serving on the Board:

To continue improving the neighborhood and provide value to homeowners. To ensure all residents have a voice in community matters. To be a good steward of the neighborhood funds.
