

Melissa Lawton

Bio:

I am originally from Pennsylvania, then moved to Orange Virginia in 1995, then to the Chesterfield area in 2000. Met my late husband while working Richmond 911, but left there when my oldest son was 3 years old, then I worked for the state for 15 years and had another child who is now 14 years old. My 14 year old and I moved into the Tealby Court area a few months ago and we love it here. We both have friends that live in Collington.

I've worked at Spring Run Vineyards for a few years now and also work at American Family Fitness. My son and I also work out there. I enjoy meeting new people and getting out. Just bought a bike and enjoy wine tasting, hanging out with friends and my son. My son and I went on a 14 day road trip this summer where we visited family and friends. We also went to the Detroit Zoo and toured caves in a National Park in Kentucky

Reason(s) for serving on the Board:

Have always done customer service jobs. Like meeting new people. Have a back ground with organizing events. New to the neighborhood and want to meet new neighbors and friends.
