

Tom Owens

Bio:

Many of you in the community know me, but for those who do not I have been a resident of Collington since 2007. I have a long history of service to my community. I was a volunteer EMS for over 15 years with the county. I have been a 36-year volunteer for Little League. I am a VHSL and NCAA sports official in four sports. Most recently, I am the chair of the Chesterfield County Planning commission and server as the representative for the Matoaca district. My door is always open for neighbors, and I am always happy to help with any issues that may arise no matter the subject and will strive to treat people with the same or better respect than given. I have served as your President for the past three years and would like to serve a second and last term.

Reason (s) for serving on the Board:

I have a strong background of service to my community. The jobs most people don't want to do, I am happy to do. Communities need people who are willing to do the things others don't want or will not do. Being a member of this community and this board has been a fulfillment for me. Thank you for your consideration to be elected again to the board
