

Tia A. Minnis

Bio:

Greetings Neighbors! My name is Tia Minnis and I have lived at 10812 Wycombe Rd. with my son, Mason for almost 3 1/2 years. I have spent the last 13 years working in higher education, currently serving as the Associate Vice Provost for Academic Affairs and Executive Director for Planning and Institutional Effectiveness at Virginia State University. Some of my major job functions include planning, assessment, budgeting, and projecting management. Skillsets that I think will be a value-add to the Collington HOA. In addition, as a former board member and Chairman of the Mableton Improvement Coalition I have extensive experience with community and neighborhood improvement initiatives, event planning, and budget management. I would love the opportunity to be more involved in our community and serve my fellow neighbors.

Reason(s) for serving on the Board:

My goal as a member of the Board would be to assist in any way that I can to help make certain our neighborhood remains a place we are all proud to call home. I believe that my experiences and work ethic, and more importantly my willingness to serve, would make me a great addition to the Board. Thank you in advance for your consideration.
